# Pomperaug Health District Flu Vaccination Clinics 2017-18

The Pomperaug Health District offers the most protective flu vaccines currently on the market.  
Vaccines are administered by experienced, licensed nurses.

## Available Vaccines

### **Quadrivalent flu vaccine \$30**

For persons 6 months and older • the “regular” flu shot

### **Flublok vaccine\* \$65**

For persons 18 years and older • Suitable for adults with egg allergy

\*available only at the weekly Pomperaug Health District office clinics

### **High-Dose vaccine \$65**

For persons 65 years and older

Studies have shown that the high-dose flu vaccine is safe and more effective for seniors than the regular flu shot
